Terms and Conditions apply. \*A Fair Usage Limit is set per price plan, whereafter the speed is reduced until month end. The service remains uncapped. Please refer to our website for more details. Offers available while stock lasts. 5G FWA propositions will be available in certain areas where 5G FWA network coverage is available. A coverage check will be done on the MTN coverage map to determine if the customer's address falls within MTN's 5G FWA range. The service will not be available and supported if the customer's address falls outside the MTN 5G FWA range. Customers can only use the service at the address that they provided during order capture. The SIM can only be used with a router that has been approved by MTN. Customers can check the list of MTN-approved routers on the product page. The service will always run on 5G technology, ensuring consistent performance, with no fall-back to LTE technology.
